PROFILE

International student at Centennial College studying Software Engineering Technology. With a wide knowledge base and a passion for learning, I bring dedication and a friendly demeanor to my work. I'm committed to providing exceptional customer service, maintaining a positive attitude, and paying meticulous attention to detail, ensuring high-quality results in all endeavors.

EXPERIENCE

DOG WALKER, ROVER

July - Present 2023

I provided reliable dog walking services to various dogs. I used the Rover app for scheduling and communication with customers. I demonstrated strong customer service skills and built good relationships with pet and their owners.
